

## PRESIDENT’S MESSAGE

Brethren,

Hello Brothers, Last month, we had a Grand Parlor dedication of the National Orange Show Events Center. What a Grand occasion! It was a beautiful event.

Mayor Patrick Morris reminded us that every time the Orange Show is in town, it rains. In fact, there were a few sprinkles that evening. We then ended the evening with an elaborate dinner and dance. It was an honor to have been invited to this great event. I want to personally thank Grand President Jim Shadle and Grand First Vice President Dave Allen for being here for our dedication and for our initiation, where we brought in eleven new members.

Welcome new members! We are grateful that you have found our organization, and that you want to be a part of a growing movement to keep alive the great history of the great State of California. As you remain involved, you will experience and cherish our heritage that only the Native Sons of the Golden West can offer. You can not gain much love, if you never come to the meetings. The brotherhood to which you are entitled to will never form, and the body as a whole will suffer if the great good that each of us brings to the order dwindles, as will the community if we lack the manpower to deliver our resources.

Occasionally, we are asked to give our time for the good of the order, such as working at the fireworks booth the week of the 4th of July, or helping man our stand at the Highland Citrus Fair, where we hand out information about the Native Sons (Saturday, March 26th). What great places to show off who we are, and to invite fellow Natives to become members of our organization.

It is up to you how much you want to give. If you give a little, you will get little. The rewards are not dished

out by the Parlor, but they come from within yourself, and the satisfaction comes when you realize the great worth you bring to the table. Then you will become a pioneer, just like the young men who started our order, unknown to what extent the Native Sons of the Golden West would become.

Make sure you check out our current events calendar for future events, i.e. Our Annual Saint Patrick’s Day Dinner on Wednesday, March 16th. You do not want to miss this one or a single event that follows. Keep safe until we meet again.

**In Friendship, Loyalty, and Charity,  
Garry Devlin, President**

## VALENTINE AND SAINT PATRICK DAY’S DINNERS

## EDMUND EPHRAIM KATZ, TRUE PIONEER By Richard McInnis

The Katz's family name is connected with all aspects of early San Bernardino history. Edmund's father Marcus Katz, came to California, via the Isthmus of Panama, during the gold rush of 1849. He came to San Bernardino in 1851 before the arrival of the Mormons from Utah. He opened his first store, just outside of the fort San Bernardino gates, was a member of the committee that formed San Bernardino County and was a three term County Treasurer. He helped start the San Bernardino Pioneer Society, secured the deed for the Home of Eternity cemetery adjoining the Pioneer Cemetery, at 7th Street and Sierra Way and was an early newspaper publisher. As San Bernardino prospered, so did the Katz's family cumulating in the building of the four story Katz Building at the northeast corner of third and E Street in the 1890s.

Edmund Ephraim Katz, the second son of Marcus and Leah Katz, born in 1858, the year the Mormons were recalled to Utah, also left his mark on San Bernardino history. Edmund grew up in San Bernardino along with other historic families including the Earps, Holcombs and Cooleys. In 1880 twenty-two year old Edmund and his older brother Maurice were in Hershaw, Arizona working for a company providing goods to the Hermosa silver mine and mill. But the mine soon closed and Edmund returned to San Bernardino.

On July 20, 1887, taking a cue from his father in connection with being a part of historic and pioneering efforts, Edmund joined 34 other San Bernardino area residents to be charter members of NSGW Arrowhead Parlor #110. He became very active in the new parlor and was a member of several committees and attended his first Grand Parlor in 1889. In 1890 he became the sixth president of 110 and in his role as District Deputy Grand President instituted Redlands Parlor #168. By 1892 he became the first member from Arrowhead to be elected to a state office when he became a Grand Trustee.

During his term as Grand Trustee, he visited several parlors and had mixed reactions as reported in the 16th Proceeding (1893) ranging from parlors that were "apathetic and indifferent" to parlors "whose affairs were conducted on

business principles." One aspect of parlor organization and behavior noted by Katz was the impact of new rituals being instituted by the Native Sons. Arrowhead Parlor voted in favor of the new rituals in August of 1893.

In July, 1899 Edmund became Parlor President for the second time, but it was not satisfactory term as his father passed away that same year. The last notation of Edmunds parlor activity was his declining a nomination for Trustee in December, 1899. As involvement in his law office and family business increased, Katz had little time for active participation in the NSGW, but remained a member for the rest of his life.

In 1900 Federal Census shows Edmund is living with his mother and two younger sisters, but shortly afterward he married Helen Lothrop. They had one son, Marcus Lothrop Katz in 1904, but the 1910 Federal Census lists Katz as a widower and his son, Marcus living with his grandmother, Cecilia Lothrop Hunter.

Edmund Katz death was announced at the Arrowhead parlor meeting May 2, 1928. His son, Marcus Lothrop, now a Patent Attorney, donated \$250 for charity to Arrowhead parlor "to be used at the parlor's discretion in the memory of late Brother E. E. Katz."

## ELECTION OF DELEGATES

At our Parlor meeting of February 2nd, the following members were nominated as delegates to the 134th Grand Parlor in South Lake Tahoe, and they will appear on the ballot in this order: 1) Carol Robb, 2) John Anderson, 3) Kevin Anderson, 4) Mike Anderson, 5) Ben Romano, 6) Timothy Prince, 7) Dennis Baxter, 8) Evelyn Alexander, 9) Sherri Livingston, 10) Barbara Kimball, 11) Garry Devlin, 12) Mark Shepherd, and 13) Richard McInnis. As we went to press, our roster stood at 333 members. Thus we will be entitled to **five** delegates. Automatic delegates, by virtue of past and present Grand Parlor service, are PGP James Smith, GT Doug Calkins, and Committeeman Chris Leon. Timothy Prince and Doug Calkins will be candidates for Grand Trustee at the 134th Grand Parlor. The delegate election will be held on Wednesday evening, March 2nd. Try to attend and elect our delegates.
